

New Zealand Rugby Union
Competition Regulations Handbook
Under 85kg National Club Cup

Revised: 22 Jan 21

1. INTRODUCTION

- 1.1 The Under 85kg National Club Cup (“the Competition”) is a competition established by New Zealand Rugby (NZR) and shall be competed for by teams duly qualified according to these Competition Regulations during each winter club season.
- 1.2 The Competition shall be organised by NZR in accordance with its Constitution, Regulations and By-Laws, which shall apply to the competition. To the extent that there is any conflict between these Competition Regulations and NZR Statutes, Regulations and By-laws otherwise, these Competition Regulations shall apply.
- 1.3 NZR may delegate any of its powers, rights and responsibilities under these Competition Regulations to any Provincial Union. That Provincial Union shall then be responsible to carry out that power, right or responsibility in accordance with NZR Statutes, Regulations and By-laws, to the extent of that delegation.

2. COMPETITION NAME

- 2.1 The Competition shall be called the U85kg National Club Cup but may be marketed under an amended competition name subject to sponsorship.
- 2.2 NZR shall have the right to add to or change the Competition name to reflect the name of the sponsor if it so desires.

3. ENTRIES FOR THE COMPETITION

- 3.1 The holding of the Competition each year is at the discretion of NZR. The Competition shall be open to all clubs being members of Provincial Unions affiliated to NZR.
- 3.2 Eligible clubs may enter more than one team in the Competition, however, this is subject to teams being able to meet player eligibility requirements at clause 7.
- 3.3 NZR shall call for entries during the month of March each year from clubs wishing to compete in the Competition. Clubs wishing to have a team or teams compete in the Competition must register their interest on or before 5 pm on the last working day of March each year, using such process or documentation as required by NZR.

- 3.4 Each club having registered its interest pursuant to clause 3.3 above must submit a formal entry, on a form specified by NZR, together with the designated entry fee of \$250.00 + GST (or such other amount specified by NZR) per entered team no later than 5 pm, 15 working days prior to the commencement of the Competition. The entry shall also be accompanied by a list of the nominated players for each team (see clause 10), and details of the team's proposed playing colours.
- 3.5 NZR may reject the entry of any team or teams at its discretion.
- 3.6 NZR shall have the power to disqualify any entered teams or any members of any entered team for any breach of the NZR Constitution, Regulations (including these Competition Regulations) and By-Laws.

4. COMPETITION FORMAT

- 4.1 All teams that have had their entry accepted by NZR (Entered Teams as per clause 3.4) shall compete in the Competition on a knockout basis until the conclusion of a final match between the two previously unbeaten teams.
- 4.2 NZR shall set the Competition Calendar setting out the dates on which the successive rounds of the Competition will be held, or the days by which rounds must be completed. Matches must be played on the dates specified unless otherwise approved by NZR or its nominee. NZR will endeavour to ensure that teams play equal numbers of home and away fixtures (provided however this cannot be guaranteed).
- 4.3 The Competition shall comprise the following rounds:

Preliminary Rounds	if more than 128 teams
Round 1:	not more than 128 teams
Round 2:	not more than 64 teams
Round 3:	not more than 32 teams
Round 4:	not more than 16 teams
Quarterfinals:	8 teams
Semifinals:	4 teams
Final:	2 teams

NZR may organise one or more Preliminary Rounds of matches prior to Round 1 in order to reduce the number of Entered Teams to 128 or less.

- 4.4 The draw for Preliminary Rounds and Rounds 1 and 2 will involve matches primarily between teams from the same Provincial Union or Super Rugby region, in order to minimise travel costs.
- 4.5 NZR may designate Preliminary Rounds and Rounds 1 and 2 to be played on a home and away basis amongst drawn teams within the same Provincial Union or Super Rugby region, in order to create a prolonged competition for teams where U85 grades are yet to emerge.
- 4.6 The winner of a round game played on a home and away basis will be determined by the team with the highest aggregate score.
- 4.7 In the event of a round concluding with home and away matches between two teams having equal aggregate scores, the winner will be determined by the team that scored the most away points.
- 4.8 If the two teams have scored equal aggregate scores and equal away points after home and away matches, the process at clause 12 is to be applied with the second match between the two teams being used as the basis to determine a winner.
- 4.9 The draw for the rounds involving 32 and 16 teams (Rounds 3 and 4) shall so far as is practicable match teams from within the same region. For clarity the practical application of this regulation means that teams from within the Blues and Chiefs Super Rugby region could be drawn against each other, as could teams from the Crusaders and Highlanders Super Rugby region. Teams from the Hurricanes Super Rugby region may also be considered for cross boundary matches subject to the practicalities of the draw.
- 4.10 The Competition will become a random draw from the Quarterfinal stage with teams being drawn in pairs, the first team drawn being the home team, and the second team the away team. Away teams may be required to travel, at their own cost, throughout New Zealand to participate in the final three rounds of matches. NZR, subject to the availability of competition funding and sponsorship, may be able to support teams in meeting these travel costs and the extent of this will be communicated when NZR calls for team entries in March each year.
- 4.11 All entrants are to be available to participate in matches from the Preliminary Rounds.
- 4.12 NZR shall be responsible for the draw for all matches. NZR shall, after the draw for each round is made, advise the clubs of the entered teams and the

respective Provincial Unions of the details of the games to be played. The Provincial Union of the home team shall be known as the host Provincial Union.

- 4.13 All clubs, teams, and team members participating in the Competition, and any host Provincial Union, shall observe the rules of the Competition and any directions given by NZR concerning the promotion and conduct of matches.
- 4.14 NZR may at its discretion determine that certain teams do not enter the Competition until later rounds.

5. CUP AND MEDALS

- 5.1 The Competition Trophy is the property of NZR and shall be insured by NZR. The holders are responsible for the loss of, and any damage done to the trophy. The holder shall return the trophy in good order to NZR by the commencement of the following season's Competition or a date specified by NZR. NZR reserves the right to request the use of the Competition Trophy for promotional purposes prior to this date.
- 5.2 In addition to the Competition Trophy, NZR shall present thirty (30) medals to members of each of the teams in the Final, plus four (4) medals to the match officials of the day.

6. PLAYING OF FIXTURES AND MATCH VENUES

- 6.1 The Competition Calendar will be determined by NZR each year and communicated by no later than the first working day of February. The Competition will commence in April and be conducted at regular periods over the course of the winter season, concluding with a Final in August.
- 6.2 For all rounds up to and including the Quarterfinals of the competition, the team drawn first shall be deemed to be the home team. The match shall be played on the date range specified in the Competition Calendar, with a preferred kick-off time of 2pm, subject to the availability of the match venue. The host Provincial Union may vary the kick-off time if the match venue is unavailable. The host Provincial Union shall confirm the match date and kick-off time within 5 working days of the draw being published, subject to the approval of NZR as appropriate and with due consideration of the travel requirements for the away team.
- 6.3 The host Provincial Union shall determine the match venue in all rounds up to and including Round 4.

- 6.4 NZR reserves the right in the case of Quarter and Semifinals to determine the match venue, match date, and kick-off time. In exercising this right, NZR shall give notice of not less than fourteen (14) days to the competing teams.
- 6.5 Pursuant to clause 6.3 and 6.4, the match venue will normally be the home ground of the home team.
- 6.6 NZR will determine the match venue for the Final.
- 6.7 In the event of inclement weather, participating clubs shall be obliged to ensure that all reasonable steps are taken to ensure that scheduled fixtures proceed. The host Provincial Unions must ensure that the scheduling of other fixtures at the match venue are managed to ensure that the playing of the Competition fixture is not compromised.
- 6.8 All participating clubs are to ensure that their grounds are clearly marked in accordance with the Laws of the Game.
- 6.9 No unauthorised markings including any commercial marks shall appear at any ground unless otherwise approved by the host Provincial Union or by NZR in relation to Quarterfinal, Semifinal and Final matches.

7. ELIGIBILITY OF PLAYERS

- 7.1 Male players that meet the following criteria are eligible to play in the Competition:

- 7.1.2 Are 18 years of age or older on the 1st January of the year of their first appearance in the Competition.
- 7.1.3 Are 16 years of age or older on the 1st January of the year of their first appearance in the Competition and are approved to play Senior Rugby in accordance with the National Rugby Policy relating to Age to Play Senior Rugby.

- 7.3 A player shall not in the same season be nominated to play for more than one competing team in the Competition. A player that is nominated to play in the Competition for one team from a club entering multiple teams is effectively ‘cup tied’ to that team and may not represent any other team from that club or any other club in subsequent rounds of the Competition in that year, unless approved by NZR to do so.
- 7.4 If NZR has any doubt as to the eligibility of any player taking part in the Competition, it shall notify the relevant Provincial Union, who will be responsible for determining the eligibility of players, and failing satisfactory proof, NZR may disqualify such player from further participation in the Competition in that year, and/or may disqualify his team from further participation in the Competition in that year, or impose such other penalty as it may deem fit. Where a team that won its most recent match in the Competition is disqualified, the team it defeated in that match will take its place in the draw for the subsequent round.

8. WITHDRAWAL, PENALTY FOR FAILING TO PLAY

- 8.1 Any team that defaults on its obligations after the publication of a draw shall be liable to a fine not exceeding five hundred dollars (\$500.00) and its club may be suspended from entering teams in the Competition in the following year.
- 8.2 Teams must take all reasonable steps to arrive at a match on time. If they fail to do so they may be fined an amount not exceeding five hundred dollars (\$500.00).

9. MATCHES PLAYED IN ACCORDANCE WITH LAWS OF THE GAME

- 9.1 All matches shall be played in accordance with the World Rugby Laws of the Game and NZR Domestic Safety Law Variations.

9.2 The Competition is deemed to be a Premier Designated Competition and is not subject to the Game On Domestic Safety Law Variation.

10. TEAM LIST

10.1 Each club's entry as required by clause 3.4 shall also be accompanied by the team's list nominating the players that will compete for the team in the Competition in that particular year.

10.2 Clubs may nominate up to thirty (30) players, with their consent, in their team list to represent each entered team in the Competition in any given year.

10.3 Clubs may apply to NZR, in the case of justifiable unavailability of their nominated players due to injury or any other reason, to nominate additional players for a team list. This application is to be made no later than five (5) working days prior to the scheduled match in which the player is proposed to be available for selection.

10.4 Each team's list must contain a minimum of eighteen (18) eligible players, who have consented to their nomination, on submission of the club's entry with the remaining twelve (12) vacant places being able to be filled throughout the season and those names being notified to NZR prior to any appearance in the Competition. Players that are nominated for a team on entry, irrespective of whether they play for that team in the Competition in that year, are however, 'cup tied' and ineligible to play for any other team or club in the Competition in that year, unless approved by NZR.

11. START LIST

11.1 Each team is responsible for providing to the match referee a team list (as supplied by NZR) setting out the names of their starting XV (by position) plus up to 7 substitutes with the required number of qualified front rowers, no later than 60 minutes prior to the commencement of the match. This team list is to be drawn from the team's list of nominated players.

11.2 Any changes post submission of the start list but prior to kick off (e.g. due to injury in warm up) must be advised immediately to the match referee and recorded on an updated version of the start list (including stating the reason for the change), and at the same time communicated to the opposition team manager.

11.3 The process for confirming weights for player eligibility is as follows:

- 11.3.1 Up to Round 4, weigh-in of players is to occur in the presence of both teams' representatives using PU sanctioned scales at the match venue at an agreed time but never less than 30 minutes prior to the commencement of the match. Players who are 85kgs or over, not including playing uniform or equipment, at this point are ineligible to participate in the match.
- 11.3.2 From Quarterfinals onwards, weigh-in of players is to occur in the presence of both teams' representatives plus a PU or NZR representative using PU sanctioned scales at the match venue. The timing of this weigh-in may occur at any time as agreed by team representatives but no later than 30 minutes prior to commencement of the match. Players who are 85kgs or over at this point are ineligible to participate in the match.
- 11.3.3 NZR shall at its discretion, with regard to situations where teams are travelling significant distance and at significant cost, direct that weigh-in is to occur at an earlier time in each home Provincial Unions under the supervision of PU representatives. In these situations, weigh-ins of both teams is to occur at the same time and be notified with sufficient notice by NZR to enable teams to make suitable arrangements.

12.2 In the event of a drawn result in the Final and the result cannot be determined by clauses 12.1.1 to 12.1.5, then the title shall be shared between the two competing teams.

12.3 Teams subject to clause 4.5 in the Preliminary Rounds, Round 1 or Round 2 (home and away basis) shall use the provisions at clause 4.7 and 4.7 before applying the criteria set out in clause 12.

- 14.5 Where a Competition match (that is not played over a home and away basis) has been postponed or abandoned prior to kick off or abandoned prior to the end of the first half and is unable to be rescheduled in accordance with clause 14.4, the away team will be declared as the winner.
- 14.6 If due to an event beyond the control of either team the Competition match is abandoned after completion of the first half, unless exceptional circumstances apply (such exceptional circumstances as determined by NZR in its sole discretion);

- 14.7 Where a Competition round between two teams that is played over a home and away basis has one of its matches abandoned prior to kick off or prior to the end of the first half and is unable to be rescheduled, then the result of the played match will be used to determine which team has been declared as the winner of the Competition round.
