## **New Zealand Rugby COVID-19 Level 2 Clubrooms Guide**

New Zealand Rugby has developed the Return to Rugby Requirements which prioritises the safety of participants and supporters and provides rugby clubs with guidance on what they need to do to be ready for kick off.

At Alert Level 2 all venues and sporting facilities, including clubrooms and gyms, are able to open. As part of the Return to Rugby requirements and to meet Government COVID-19 guidelines, all rugby club will need to develop a health and safety plan in four key priority areas: trainings, changing rooms, club rooms and match days.

This guide helps Rugby Clubs develop a Clubrooms health and safety plan for its member. Your local Provincial Union can provide you with support and will need to approve the plan before clubs can return to safe use.

Helpful information and resources on health and safety plans can be found on the Worksafe New Zealand website.

Helpful information on operating at Alert Level 2 can be viewed at https://api.hospitality.org.nz/wp-content/uploads/2020/05/Food-Beverage-L2-Guidelines-V2-2.pdf.

It is now mandatory to ensure recordkeeping at venues and events is completed. NZR recommends using the Covid Tracer App.

## **Key requirements:**

- Indoor facilities are limited to a maximum of 100 people (not including staff)
